

Make A Difference - Volunteer!

Let's face it—we all feel better when our hair is clean and attractively styled. It's especially true when we aren't feeling our best. Please help us make a difference in the lives of our patients by volunteering your expert services to Faith Hospice.

Patients in our hospice residence and those in our community program, deserve to look and feel their best.

But we need your help to make that happen!

We need volunteers willing to wash, cut and style our patients' hair either at Trillium Woods Hospice Residence in Byron Center or in the patient's own home.

-  **You must be willing to take part in our volunteer training program**
-  **You must be a licensed cosmetologist**
-  **Days and times vary to fit your schedule**

Help put a smile on someone's face. Volunteer today!
