INDIVIDUAL GRIEF SUPPORT SERVICES

By appointment at our office:

2100 Raybrook Street SE, Suite 300,
Grand Rapids, MI 49546

We offer support groups and limited in-person grief support regarding death and dying. Anyone with mental health issues or substance use issues must be actively involved with a primary therapist in order to participate.

For needs beyond the scope of grief care, we provide information and referrals to community resources.

Please contact us for referrals outside of the Grand Rapids area.

OUR STAFF IS HERE TO HELP

We believe that grief can be a growing experience. Grieving persons can find themselves enriched by compassionate, one-on-one, in-person counseling or by joining a support group. We invite you to join us for any of the supportive services that are appropriate for you.
