We offer support groups and limited in-person grief support regarding death and dying. Anyone with mental health or substance use issues must be actively involved with a primary therapist in order to participate.

For needs beyond the scope of grief care, we provide information and referrals to community resources as well as referrals outside of the Grand Rapids area.

## VAN ANDEL HOPE & HEALING PAVILION

Opened in 2023, this new space provides a tranquil place for individual, group, and family grief counseling. The pavilion gives Faith Hospice greater capacity to support those in our community struggling with the trauma of loss, helping them to take steps forward in their grieving journey and, ultimately, find hope and healing.
