With Comfort, Compassion, & Grace

Understanding How Integrative Care Therapies are Changing What Hospice Care Feels Like

Join us for the Faith Hospice Fundraising Luncheon and hear first-hand how our Integrative Care Therapies are transforming hospice care through services like massage, music therapy, and aromatherapy — bringing comfort and enhancing quality of life for patients and those who love them. You'll leave with a deeper understanding of how these therapies enrich care with compassion and grace, and how your support makes them available to more patients at no cost to them or their families.
